are tossed into the traditional

Three Jobs At Stake April 8

Drum-beating and hand-
shakes mounted today as 11
candidates and committees
poured over platforms and strategy
for Daly City's fiercest
city council election in history
—Tuesday, April 8.

With city manager govern-
ment and sales tax the explosive
main issues, the contenders
quickly are grouping support-
ers and loading their verbal
guns.

Anti-sales tax incumbents
Micheal DeBernardi and San-
ford Vickers, and pro-tax in-
cumbent Del Wilson, will be out
to retain four-year seats for a
second term against four former
council candidates and the same
number of newcomers for city hall duty.

Five Westlakes

Five of the 11 hopefuls live
in Westlake, and two of the
candidates, former two-term
councilman Edward J. Dennis,
156 Mateo avenue, and Bob St.
Clair, of Westlake, 499 foot-
ball player and advertising man
are entered as a team. Other
mergers will come as no sur-
prise in the six-weeks' cam-
paign period.

Making a second bid for
council jobs are: Peter J. Beck-
er Jr., 824 Templeton avenue,
an electrician; John B. Drye,
98 Montrose, sales representa-
tive; and Joseph Lewkowitz,
501 Vista Grande, service sta-
tion owner and school trustee.

Also in the wide-open scramble
are Gerald S. Colvin, 14
Wilshire court, an attorney;
David J. Friedenberg, 15 High-
land, lawyer and Demo club
leader, and Edward T. Murphy,
398 Northgate, real estate
salesman and former Westlake
Improvement Association direc-
tor.

Vickers Wins

Drye, running on the DeBer-
nardi-Wilson ticket in 1954,
was defeated as Vickers took
the third seat for his council
debut.

Tot, 4, Tossed 10 Feet By Car

A four-year-old Daly City
girl escaped with apparently
minor injuries Sunday after-
noon when she was struck and
tossed 10 feet by a car on Lau-
sanne avenue near Chester
street.

The badly bruised youngster,
Joan Loskutoff, of 947 Wyand-
otte avenue, was treated for
shock and abrasions before re-
lease at Junipero Serra hospi-
tal. Her father, William, has
taken her to a family doctor for
extensive x-ray examinations.

When Officer Al Nicolini ar-
rived on the scene, the girl was
lying near the front of the car
driven by Sy Maltzer, 59, a
Redwood City contractor.

Maltzer said he was north-
bound at about 10 mph and
claims the girl suddenly dashed
in front of his car.

Police are still investigating
and the driver has not been
cited for negligence.

S. S. F. Superior Court Sendoff

DIGNITARIES aplenty were
on hand Friday as Superior
Court sessions were inaugu-
rated in South San Francisco city
hall, with Judge Frank Blum of
Daly City (second from left)

presiding. North county munici-
pal leaders and members of
the bar were out in force. Left
to right: Mayor Joseph Verducci,
Superior Judge Edmund
Scott, Municipal Judge Thomas

L. Bocel Jr., and Hartley Ap-
pleton, president of the North
San Mateo County Bar Asso-
ciation. Superior court cases
will be held in SSF the second
and fourth Friday mornings of

each month. The sessions will
be lengthened if volume of cases
warrants expansion.

Taxpayers Ask Council Reversal

A gale-force petition drive is
sweeping Daly City today, de-
manding the city council to re-
peal its "sneak" sales and use
tax ordinance—or if not—sub-
mit the controversial issue to
a vote of the people.

The Taxpayers Protective
Association, local group repre-
senting merchants and home-
owners alike and spearheaded
by ex-mayor Paul Green, insti-
gated the petition.

Some 200 petition papers,
each with space for 25 signa-
tures, are making the rounds.
Signatures of 10 per cent of the
city's registered voters are re-
quired to make the petitions
legal.

Green said petition response
"is expectedly heavy" and that
his organization should be
ready to present their "package
protest" to the council at its
regular meeting next Monday
night.

Mayor Joseph Verducci,
Francis Pacelli and Del Wilson
authorized the sales tax after
a stormy February 10 meeting,
during which Councilmen Micheal
DeBernardi and Sanford
Vickers and an overflow
audience pled for a "delay and the
right of the people to decide."

The extra penny levy—unless
the council majority changes its
mind—will go into effect on
March 14.

NO LEGALITY

County Claims JESD 'Recall' Move 'Phony'

Widespread rumors and the
story in a metropolitan news-
paper that petitions are being
circulated for the recall of Jef-
ferson Elementary school dis-

trict trustees "have no founda-
tion," according to the County
Supt. of Schools.

Alfred Glantz, cook "ator of
business advisory services in
the office of Supt. James Tor-
mey, told THE RECORD that
"any such petition group must
file with us the text of their
petition before they can be
authorized to take such a step."

Though school board mem-
bers here admit they have
heard about the petitions, none
has seen them.

This is seconded by the dis-
trict's PTA, coordinating com-
mittee, which met Monday and
disclosed that each PTA presi-
dent had been contacted by an-

Arrest DC Man As Suspect In Jewel Burglary

Two burglary suspects picked
up by Broadmoor police last
month were booked in San
Francisco this week for a \$1342
jewelry theft from a Stockton
street store New Year's eve.

Chief Ray Savage's men picked
up Eddie Wngelmo, 27, of
538 Bellevue avenue, Daly City,
and Richard Morgan, 29, 2135
Mission street, on a "suspicious
persons" call from a Daly City
restaurant. In their car Savage
found the jewelry, later identi-
fied as that taken in the SF
case.

Wngelmo operates a restaur-
ant on Geary street, according
to Savage. Both suspects have
served time on narcotics and
theft counts.

BOCCI PREFERS VOTERS' CHOICE ON SUCCESSOR

Judge Thomas Bocci again
this week delayed his official
resignation from the northern
judicial district bench and says
he prefers to have the voters
pick his successor at the June
primaries.

In his third "resignation"
statement in as many weeks,
the district-attorney hopeful
concluded: "I am most definite
in my intention to resign, and
plan to do so in the next sev-
eral weeks, but most assuredly
before the June primaries."

"I have delayed my resigna-

MUNICIPAL COURT

Westlake Wife, 32, Faces 'Bookie' Charge

A 32-year-old Westlake
housewife, nabbed by Daly City
police and a district attorney's
deputy last week at her home,
is due in municipal court this
Thursday morning to answer a
charge of running a small-scale
bookie operation.

Mrs. Evelyn Carroll, who
played hide-and-seek with the
raiding party when they sur-
prised her in the apartment, 32
Crestwood drive, is suspected
of a \$100 to \$200 per day busi-
ness—presumably on the hos-
es.

Free on \$1000 bail, she de-
nies the accusation, but re-
portedly told authorities that
she "liked to pick race win-
ners."

Police Capt. Roy Beecher
said the Carroll apartment had
been under surveillance for
several weeks. The day before
the arrest last week, police
camped out in the apartment
next door. They claim most of
the alleged betting calls were
made between the morning
hours of 10 and noon.

Beecher, accompanied by de-
puty Brian Rowson, Officer
Phil LaBruzzi, Sgt. Bruno
Conci and matron Mrs. Helen
Sherwood called on Mrs. Car-
roll last Wednesday just before
noon.

MASINI NAMED NEW CHAIRMAN BY PLANNERS

Anthony Masini was voted in
as new chairman of the Daly
City Planning Commission last
week, replacing Attorney
Julian Cohn who resigned last
month.

The planners also accepted
"with regret" the resignation
of veteran commissioner Ed-
ward A. Lopez. A replacement
will be named shortly.

In main action, the commis-
sion conditionally approved
zoning of C-1 and R-3 on a 21-

tract west of Junipero Serra,
subject to the deletion of four
lots in connection with the
proposed realignment of Edge-

Council Of Mayors To Meet With State On Freeway Problems

The Mayors' Legislative
Council will meet to discuss
San Mateo County highway
problems in the 25th State As-
sembly district next Tuesday
at South San Francisco City
Hall, State Assemblyman Louis
Francis announced today.

Francis, who organized the
council of mayors in 1956 to
solve problems and coordinate
the needs of the cities in his
district, said that B. W. Book-
er, assistant state highway en-
gineer in charge of District 4,
and members of his staff will
attend to report on the pre-
sent proposed plans by the Di-
vision of Highways to extend
Junipero Serra freeway and
the widening of El Camino

Trio Injured In 'Close Call' On Coast Road

A Daly City-employed medi-
cal receptionist and her two
passengers were injured Friday
at 9:15 p.m. when the car she
was driving north on Coast
highway two miles south of
Skyline went out of control
and barely missed plunging over
the cliff.

Officer Richard DeLosa re-
ported that Betty Wardell, 35,
of 65 Darien way, Pacifica,
sustained severe facial cuts in
the mishap. Her husband,
Charles, complained of back in-
juries at Junipero Serra hospi-
tal, and Henry Molis, 80, the
rear seat passenger, suffered a
broken right leg.

DeLosa said Mrs. Wardell
apparently lost control of the
car on a wide turn. It skidded
over the soft shoulder up the
side of the hill, then swerved
wildly across the highway, fi-
nally thudding to a halt just
five feet from the cliff.

FIVE TEENAGERS, BABY UNINJURED IN FREAK CRASH

Five teenagers and a 17-
months-old baby boy escaped
unharmed Tuesday night about
9:15 when their southbound car
rammed into a parked station
wagon in front of 328 Hillside
boulevard.

Impact of the crash set fire
to the at-fault vehicle and sent
the station wagon, owned by
Arthur Mull, over the sidewalk
and against the home of Ray
Alexander, 334 Hillside. Fire-
men promptly doused the blaze.

City To Poll 3500 Residents In Postcard Survey For Master Plan

Thirty-five hundred Daly
City residents will be asked
next week to tell just where
and when they drive their cars
during an average day.

The postcard "Origin and
Destination" survey will be
conducted by the firm of Hahn,
Wise and Barber, planning con-
sultants, as one of the first
steps in preparing a master
plan of streets and highways
for Daly City.

The San Carlos firm has been
retained by the city in a two-
year, \$16,000 contract to pre-
pare long-range plans for land
use and zoning; public buildings

with streets and highways. The

The 3500 postcards will be
sent to one out of every three
homes in the city. Addresses
will be taken from the files of
the water department and will
cover every section of the city.

On the return section of the
postcard, Daly City drivers will
be asked to list every auto trip
they make on the day after
they receive the card.

For the purpose of this sur-
vey, every movement of the
family car is counted as a

market and back home, for ex-

June primaries as to my successor.

Upon the announcement of my resignation in early February, a number of lawyers indicated their availability for an appointment to this office, all of whom I consider friends, and who might not understand an appointment by the governor's office at a time several months in advance of the election date.

"In delaying my resignation, many good purposes will be served in that each of the lawyers interested in this post may compete in an open election without the advantage of an incumbency through an appointment."

Bocci is expected to make up his mind on his candidacy for the job of district attorney by next Monday. To date, he reports much encouragement from his friends and followers.

City Attorney Paul Hupf, considered among the chief candidates for Bocci's post, today said he would not be a candidate for the municipal court vacancy in June. However, Hupf said, "I would certainly accept the job if an appointment by the governor were made."

Other north county lawyers interested in the municipal judgeship include Charles Becker, Bernard Etcheverry, Walter McElroy, Conrad Reisch and Thomas Neeham.

A LITTLE OIL HELPS

A little oil on the carburetor controls will do much to save wear, according to the National Automobile Club. This applies to the shaft of the throttle valve, the rods or plungers for the auxiliary air or gas valves and to the accelerator control assembly. These parts frequently appear to be lubricated merely because they are covered with gasoline from the carburetor, which is just another way of saying they are sadly in need of real lubrication.

"This picture will tell us where improvements are needed on local streets," Barber said. "It will also tell us where we have to attempt to adjust the routes of proposed freeways, to accommodate this local traffic as well as the heavy north-south traffic passing through the city."

Barber urged Daly City residents to fill out and return the cards as soon as possible after they are received. Auto trips taken on Sunday should not be counted, he added.

A tentative mailing date of Tuesday, February 26, has been set by the city.

Your meters make pretty good thermometers

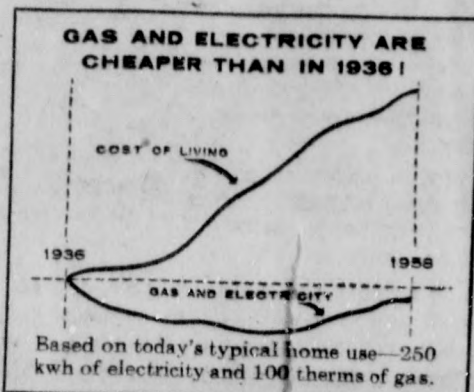

When the temperature drops, it takes more gas and electricity to make you comfortable. That's why your P. G. and E. bill is higher this time of year.

Anyone who reads gas and electric meters has a pretty accurate record of this winter's temperatures. Cold weather and long nights mean more heat, more lights...more work for most all your appliances.

But two things help take the sting out of your winter bills: P. G. and E. rates are lower than in 1936...and your unit cost of gas and electricity goes down as your use increases.

NO DOUBT ABOUT THE ISSUES

The next six weeks the 36,000 residents of Daly City will be subjected to the fireworks of political maneuvering—hitting a roaring pitch seldom sounded so strenuously here.

Eleven candidates—three of them incumbents—are about to proclaim platforms of promise and pulverize the pitfalls of the city's current leadership.

Each council hopeful is fortunate this time. The public-banned policy of the city manager and his associates—exemplified by the "accelerated" sales tax move—has magnified the mounting voters' protest for a drastic change at city hall.

The candidates are in the same campaign boat as far as the people are concerned. Those who are out to change the mess and methods of the present regime will survive in the battle for ballots.

Much of the sound and fury of politicking is necessarily boring and hackneyed. But when the issues are so clearly drawn—as they are this time—the verbal fusillades of each candidate deserve extra careful evaluation.

The 11-man field for three seats is a most healthy situation. Unfortunately, two of the three councilmen who rammed sales tax down the throats of Daly Citizens are not up for re-election. But their jobs are not too secure.

Voters—at all times and not just on election day—have the right to demand representative government. When things get out of hand, there are ways to remedy the discrepancies.

Letters To The Editor

Reader Demands 'Majority' Rule On Penny Tax

Dear Editor:

It was with consternation and surprise that the new sales tax was passed by the council despite the protests of the citizens, and further the demands of the citizens were completely rejected.

Contrary to what was stated by the mayor, this tax was not carefully thought over for some time and brought to the public's attention, but rather was quietly and stealthily slipped over while all but a few backs were turned.

This is not Democracy in action! No just cause was shown as to why this tax was imposed. No good reasons were clearly shown as to where it would help the citizens, and where it would reduce other taxes. Since when has there been a case where one tax has been imposed to reduce another? And to what end would this accomplish?

As a citizen and taxpayer of Daly City, I demand, along with the other aroused citizens, that this tax be withheld until full public debate has taken place, and the majority will has been recognized. The board is supposed to, and must, represent the PEOPLE.

Very truly yours,
Julian Kaufman

13 In Scramble For Pacifica Council Seats

Three city council of Pacifica incumbents face 10 challengers at the polls April 8 when voters of the North Coastside decide on three four-year seats.

Don Miller, Gerry Schumacher and Harold Feyge, elected last November, are out to keep their jobs in the fledgling municipality.

The field of candidates who filed by Thursday's deadline include five community-active citizens who ran unsuccessfully last fall. These are Walter Campbell, Floyd "Jack" Fox, John Giberson, B. D. Hembree and Samuel Turpin.

Newcomers to Pacifica's political arena are Nick Gust, Rockaway Beach restaurateur; Melvin T. Hansen, Sharp Park; C. J. Martindale; Thomas M. Lane, Linda Mar, and Mrs. Henrietta Whitney, wife of the Pedro Valley postmaster, Ray.

Terms of Mayor Jean Fassler and Councilmen George Mason expire in 1960. They received the highest votes when the council was born as 53 percent of Pacifica's almost 7000 voters responded. The city became official on the same ballot, 2602 votes to 2113 opposed.

Pacifica's total number of registered voters will be announced within the next two weeks by the county clerk's office.

Two For Tonight

By Lenore Brewer

Watching Noel Coward cavorting through his sophisticated comedy "Present Laughter," you still can't believe that in one person can be wrapped up so much theatrical ability. Even though surrounded by a strong cast, Coward still dominates the evenings at the Curran, and until you see the master in action, you'll never appreciate how great has been his contribution to today's theater, even though in a somewhat light tradition.

Coward plays the role of Garry Essendine, a fascinating though reluctantly acting actor whose life is a series of casual extra curricular activities which hurt no one, least of all his wife Liz (Joyce Carey) with whom he has been on friendly separation terms for years. To enable him to engage in his diverting little amours with the least effort, his London studio has an extra bedroom, available to selected feminine admirers who have "lost" their latch keys.

Expensive

Around Essendine revolve his worldly secretary (Mona Washbourne) his producer Henry (Winston Ross) and Morris a bachelor (John Ainsworth). They and his wife Liz keep his life as serene as he will let them.

But even Essendine has a cross to bear. Henry had the incredible fortune to marry Joanna (Eva Gabor) a predatory feline with a seductive purr and long claws. Now anyone who has ever seen Miss Gabor knows that Henry (a stodgy soul) isn't going to satisfy this beauty for ever. The path she chooses to reach Essendine's couch (is there a couch scene in every Coward play?) is a devious one and thereby hangs the plot.

Miss Gabor's entrance is magnificent, making every male in the audience feel ten years younger. As our customary companion said with a wistful sigh, "Beautiful, beautiful, but I can't afford it."

But Worth It

As Essendine, an actor who never stops acting, Coward plays shamelessly on his coterie's emotions, particularly the emotions of the current flickering light of his life. As he appeals for their love or begs them to take it away, he is brave, noble, resigned, indignant, furious, hurt, baffled, outraged—all within the space of five minutes. Devastatingly charming, indifferently cool, insidiously subtle and shockingly direct when it suits him, he hams it outrageously at the end, but has the wit and wisdom never to use the "I'm just a tired little boy" routine.

After all, the women he's interested in and who are fascinated by him (and who isn't?) aren't the type to be intrigued by tired little boys.

TALENT SPECTACLE

500 Roundly Applaud Spirited KIP-PAL Fund-Raising Show

Five hundred folks were thoroughly entertained Friday night as Daly City's two fund-raising youth organizations, KIP and PAL, staged a well-rehearsed and heavily applauded "Talent Show" at War Memorial building.

Moved by the public response but disappointed because the place wasn't packed, KIP Director Kay Irvine said the show netted both groups about \$150 each for their treasuries. And this is just about all the dough KIP and PAL have for their year-around planning.

28 Acts

The program spotlighted 28 acts, including about 56 local youngsters, two family presentations, and a guest performer

from the SF Moose "Search For Stars" agency.

KIP members, about 275 to date, are considering a 25-cent-a-month dues to bolster funds. Their teenage officers are headed by Mike Semere, president, and Mary Lynn Sallade, vice president.

Volunteers continue to join the adult staff who supervise all KIP functions. Latest to contribute her time and talents is Paula Lane, Broadmoor model and vocalist. She is tutoring the youngsters on self-improvement, including pointers on posture and wearing apparel.

Mrs. Irvine instructs speech and drama classes in the expanding KIP curriculum.

KIP members meet three evenings a month at War Memorial building, the second through fourth Tuesdays. First session each month is for general membership, second is for teenagers exclusively, and the third is for juniors—for coaching by teen and adult supervisors in all workshop projects.

The KIP group will perform at Angel Island NIKE base on February 21 and at Ft. Funston two days later. They also have an invitation from the American Legion to stage their talents at Yontville for aged veterans.

Persons interested in KIP should call Mrs. Irvine, DE 3-6165.

FIRE BATTALION Chief Mel Hanson supervises five rookie hosenmen during a drill as they wind up final phases of their one-year, comprehensive probationary training with the Daly City department. "Graduating" this Sunday are (on ladder, left to right): Ralph Lyttle, John Jacob, Paul DeNatalle, Richard Merlo and Richard Verducci.

Navy Nurse Corps Offers Opportunity To College Seniors

Chief Leo Polhemus, U. S. Navy recruiter here, announced today that the new Navy Nurse Candidate Program, instituted a few short months ago, has proven very popular.

The Navy Nurse Corps Candidate Program gives selected senior college students in nursing an opportunity to join the Navy while continuing their education.

The Navy plans to select annually a number of nursing students enrolled in fully approved basic collegiate schools of nursing when they begin their senior year.

The advantages of this program are that while participating in the Nurse Corps Candidate Program as a nursing student, a monthly pay check of \$99.37 will be received, and the Navy will pay for tuition, books, incidental fees, room and board.

Upon receipt of their degree, these nurses will be commissioned Ensigns in the Nurse Corps, USNR, with a two-year active duty obligation.

For further information contact Chief Polhemus at 6705 Mission street, Daly City, or call PL 6-3740.

Grant Store To Offer Layettes For Twin Babies

Each and every youngster born of a multiple birth between 12-01 a.m. Thursday, February 20 and midnight Wednesday, February 26 will receive absolutely free of charge a 36-piece layette set worth \$30 with the compliments of the W. T. Grant store at Westlake. Manager Elmer J. Gollmer announced this novel offer being made in connection with the store's "Old Ninety Nine" infants wear promotion.

There is no obligation for the parents to purchase anything prior to or after the birth. A parent need only present Gollmer with a doctor's certificate showing the exact date and time of birth, attesting to the fact that there were two or more babies in the birth. For twins, the parent will receive two 36-piece layettes worth \$30 each. For triplets, three \$30 layettes and for quads, 4 layettes. Each layette is complete with everything the new baby will need: diapers, shirts, gowns, pads, sheets, Evenflo bottle units, baby toiletries, blankets and even safety pins.

Last year, during this promotion offer, the W. T. Grant Company gave layette gifts to

Fire Chief Offers Advice On Buying Insulating Materials

Chief J. E. Kennedy of the Daly City fire department says, "For your own safety and the safety of your family be sure of what you buy."

Many types of insulating materials are used in this work. Some very good, others are of an inferior grade.

A number of insulating materials are themselves combustible, but when treated with flame-proofing chemicals become fire-retardant. Be sure this type of material if installed in your home will retain its flame-proofing qualities, and not be dissipated by heat, moisture or time. Bleaching out of flame-proofing chemicals leaves the original combustible materials in your home.

An installer of insulation in your home must have a Daly City business license. Ask to see it. A call to your fire department prior to the installation of the material can verify the material as meeting your fire department's requirements by stating the trade name of the material.

A legitimate licensed installer, who has a good product, will not hesitate to satisfy a prospective customer.

TELEVISION AND RADIO CONFERENCE. . . . With leading executives in the broadcasting field present from seven western states, the 11th Annual Radio and Television Conference which was concluded Saturday in San Francisco was one of the most exciting and enlightening conferences we have ever attended. The three-day meeting covered a wide range of topics and provided enough interesting information for at least 100 columns. From subscription television to subliminal projection . . . from programming for moppets to in-school viewing . . . the conference tackled all facets in the broadcasting field through panel discussions, speeches, programming clinics and demonstrations.

One important impression that we gained from the conference was that these broadcasting executives are vitally concerned about you—the viewer—and making earnest efforts to see that public service television programs are constantly being improved. We were fascinated by Miss June Dillworth, radio and television consultant, King County Schools in Seattle, who reported on a three-year program of daily in-school viewing in all Seattle schools. We were intrigued with the speech by Jerry Jensen, of KPEN, Atherton, concerning the rapid growth of FM radio stations in our bay area. We were thrilled to hear Brice Howard, producer of NBC's National Educational Television Program Project, and hear him say that they will be beginning soon on their third educational series. Meeting after meeting, we heard enthusiastic reports on the rapid advance of educational television in all sections of the country.

On Friday evening at the banquet held at the magnificent dining room at San Francisco State College, we were privileged to hear that distinguished leader in the broadcasting field, Donald McGannon, president, Westinghouse Broadcasting Company, who said that "television is still in its formative stage" and discussed some of the many problems facing the industry.

Conference chairman for this year's session was Ronald L. Hunt, public relations executive of Standard Oil of California. Next year's meeting will be held in Phoenix, Arizona.

By contrast, in 1957—two world wars and a police action later—the income tax (individual and corporate) brought the federal government \$63.3 billion. This is a per capita tax bite of \$390.

Per capita annual income was \$358 in 1913; today it is about \$1650. In this 45-year period, per capita income increased 4½ times while the per capita tax increased 474 times.

Other comparisons of then and now are of equal interest. For instance, in 1913 the single personal exemption was \$3000 compared to \$600 today.

In 1913, a single man with a \$5000 a year income paid \$20 tax; today he pays \$818. Rates the first year were 1 to 6 percent; they range today from 20 to 91 percent.

Mr. Taxpayer's total bill in 1913 was distributed 70.5 percent of state and local government and 29.5 percent for the federal government. Today the federal government takes 72.3 percent leaving 27.7 percent for state and local units.

Westmoor Sends 19 Students To COP Music Clinic

Nineteen Westmoor students and their music director, Alfred Runnells, traveled to Stockton Friday to take part in the eighth annual Music Clinic sponsored by the Pacific Music Camp.

Along with students from 124 participating schools, Westmoor chorus and band members practiced all morning and afternoon. Results of their group practice and preliminary practice in all the individual schools was demonstrated at an evening concert at the Stockton civic auditorium.

The College of Pacific band presented three selections at the evening concert as well as the clinic orchestra.

Students attending the music clinic from Westmoor were: Beverly Karras, Pat McCollough, Diane Cooper, Mary Fields, Glenda Seago, Alene Roush, Catherine Austine, Beth Cavanaugh, Jessie Betschowa, Gary Nola, Don Orth, Peggy Johnson, Claire Wittig, Joan Burns, Ken Crane, Terry Robinson, Steve Doiron, Angela Mason, Sally Traeger and Spencer Honey.

DISTRICT DEPUTY VISITS EMDIAN INSTITUTE LADIES

Emdian Institute No. 154, Young Ladies Institute, entertained the district deputy of San Mateo county, Mrs. Isabelle Olden, on Tuesday, February 11, during her official visit.

The meeting was presided over by the president, Mrs. Lee Woodall. Four new members were initiated: Mrs. Sue Masini, Mrs. Eleanor Lanza, Mrs. Jacqueline DeSalvatore and Mrs. Angie Sereni.

St. Valentine was the theme of the evening under the chairmanship of Mrs. Imelda Laramie assisted by Mrs. Vera Grady, Mrs. Josephine Gehrman, Mrs. Florence Sundstrom, Mrs. Vera Ryan and Misses Mary Belli, Frances Flanagan, Jean Belli and Mae Varni.

A day of Recollection is planned for February 23, to be held at Serra High school in San Mateo.

The Town Record

By Roy Hurlbert

City focus this week goes to the dogs. Reference there isn't to the sales tax slickery. Just canines worthy of mention.

Three lil' ole ladies renting up on Bellevue Avenue are flirting with eviction (county and neighborhood complaints) for untidiness, bill-failure and their tenants. At last count, the joint was populated with about 15 unlicensed dogs.

Health officials, creditors and ye auld poundmaster have a devilish time contacting the grannies to eliminate the mess. With 15 hounds on the reception committee, the outsiders need more than fortitude.

The defiant trio are of the ages 75, 74 and 65.

Other doggyish tidbits concerns a lass named DEBBIE, 5-year-old Dalmatian belonging to Fire Bttn. Chief Wayne Alexander, 278 1st avenue. The gal, whose latest litter was 13, vanished Saturday night. She's a blue-eyed honey, spotted white and black. See her, call PL 6-2480.

TV-radio columnist MONA BAKER, this paper, motors to Movieland next Monday for business-pleasure trip with her hubby JACK. She'll tap several Hollywood—dated stories this way during her tour of major video studios. LOUELLA and HEDDA, beware of scoops.

KIP-PAL talent show Friday brought an audience of 500 and \$150 net to both young groups. This is just a drop in the bucket needed by KIP and PAL for projects to promote and develop youngsters. Combined, the organizations have a membership of some 450 kids. How about some financial help, you Samaritans?

Almost bashful DON MOSSI, Jeff High's contribution to major league baseball, leaves his Redwood City castle Tuesday for spring training with the CLEVELAND INDIANS at Tuscon.

Teh sober thin man is due more money from the slipping Tribe this campaign. Also, he's upping the rent on his RC home, especially if a SF GIANT is interested in lodging that far down the road.

Note to us from Corvallis: PHIL DE LUCCHI, captain of the Jeff High swim team last year, has busted two frosh pool marks at Oregon State university. Phil's pop, ATTILIO, 241 Oliver street, says this is just the beginning. The bespectacled kid should give the varsity Beavers solid NCAA hopes next season.

Rumor mill has it that Judge TOM BOCCI isn't interested in job of city attorney here if he loses out as candidate for district attorney. Paul Huff, city attorney, could get Bocci's muni bench by appointment. But Huff says he won't run for the court vacancy in June. Sort of an "iffy" situation.

Poncet, vice-president, Henry Doelger Builder, Inc.; Edwin S. Moore, executive vice-president, and Clifford R. Ward, Field Operations manager, CSAA.

GARY BURKHOLDER
... ice breaker

Gary J. Burkholder, electrician's mate third class, son of Mrs. J. Tibbs of 30 DeLong street, and T. J. Burkholder of 161 Leavenworth street, San Francisco, is en route to Wellington, New Zealand, aboard the ice breaker USS Atka.

The Atka will enter dry-dock in Wellington this week for repairs to a propeller damaged while transiting pack-ice last month.

After repairs are completed, the ice breaker will sail for Seattle.

On January 23, the Atka finished a rough, six-day voyage from Cape Hallett Station on Cape Adare, to Wilkes Station on the Knox Coast. During the last 15 hours, the ship battered through a 101-mile belt of heavy pack-ice to resupply the 27 scientists and Navy men at the isolated outpost on the Indian Ocean coast of Antarctica.

Two days later, the Atka returned through the pack-ice to escort the cargo ship Arneb and ice breaker Burton Island into Wilkes Station. On this trip, the ship lost two blades of its port propeller, moderately hampering her operational capacity.

The damage cancelled a scheduled visit to Russia's "Mirny" IGY Station, 400 miles west of Wilkes.

The ice-breaker left Wilkes Station January 30, escorting the Arneb back through the ice, and successfully completed the trip by the morning of January 31.

This was the last of the Atka's duties with Operation Deepfreeze III.

STATEMENT of POLICY

Micheal De Bernardi

By
Councilman
MICHEAL
De BERNARDI

Incumbent, Daly City Council

Dear Friends:

On April 8, 1958, I am seeking re-election to the Daly City council. Since I regretfully will not have the opportunity to meet each one of you individually, I am taking this opportunity to express my policies and opinions to the people of Daly City so there shall be no question as to how I stand.

There are several basic issues before the voters in the coming election. On these issues, I stand as follows:

1. **ADMINISTRATION**—Almost synonymous with the city manager rule, the city's administration has become "top heavy" with officials while seriously under-staffed in such basic services as police and fire protection. There are at least three administrative positions which can be eliminated. Savings can be used to hire more city employees for basic municipal services, and to build new firehouses and purchase up-to-date equipment.

2. **FREeways**—If Junipero Serra boulevard must be widened, access should be allowed for business houses along the highway. The Alemany extension, which would cut through the residential area along North Mayfair, must be defeated. The route could travel, instead, along Stanley drive in San Francisco and skirt Daly City residential area entirely.

3. **WATER SYSTEM**—Daly City's municipal water system is its most valuable asset and the only function of city government which "pays its way." We must allocate funds for long-term improvements to the water system, before demand passes supply which can be made available by present pumping equipment.

4. **SALES TAX**—My voting record has consistently been against the sales tax. I will continue to oppose this tax and will support its repeal or any petition to place the matter up for a special election.

5. **CITY MANAGER**—The city manager form of government, as demonstrated in Daly City in the past three years, is ineffective. "The strong manager" type of government has usurped the legislative powers of the elected officials. I will work to restore government to the elected representatives of the citizens.

I realize that many citizens have questions on other facets of government. I will be happy to talk to any interested citizen or groups. I will make every effort to make myself available for personal appearances so that interested Daly City residents may better inform themselves about the issues and candidates in the coming election. I am available at my home, PL 5-2668.

I am proud of my four years in office but am also aware that because I was many times in the minority, some of my programs have not yet been realized.

Nevertheless, I submit my actions in office as evidence of my good faith and interest in the city and citizens of Daly City. My policies are not secret. If you believe as I do, then I respectfully ask your support. If you oppose my opinions, that's your prerogative as a citizen. I strongly recommend that all citizens take an active part in the coming election.

Respectfully,
Councilman Micheal De Bernardi

GIRL SCOUTS PLAN ANNUAL COOKIE SALE

The annual Girl Scout Cookie sale will be held from February 28 to March 15. Four types of cookies, chocolate mints, lemon thins, shortbread, and cream sandwiches, baked especially for the Girl Scouts by Langendorf bakeries, will be sold throughout the area by the Brownies, Intermediate and Senior Girl Scouts. Cookies will also be sold by the Girl Scouts stationed in various stores, banks or other public places.

This year the girls will try out a new sales technique. On February 21, they will go around from house to house and take advance orders on the cookies. The actual sale and distribution will start on February 28.

The profits earned from the sale of cookies are entirely devoted to the financing and maintenance of Girl Scout camps, both established and day camps. Presently, consideration is being given for the purchase of a permanent day camp at a nearby site.

Camping provides wholesome and enjoyable outdoor activity for the girls. Camp Sonora in the High Sierras, is the permanent camp for this area.

One camping project in the planning stage, is the enclosure of the Sonora Camp swimming pool with a tall picket rail fence. Each rail costs \$1. Donations, either of money or rails, will be accepted by the Girl Scout organization in this area from the Girl Scouts, their friends, or anyone who wishes to make such a gift. The initials of donors will be carved on each picket donated, making the fence a conversation piece for campers.

Mrs. George Ellis is the District Chairman for the cookie sale.

Anyone wishing to make picket rail donations may contact Mrs. F. Ecker, 605 Larchmont Drive, Colma.

SM County Site For UC Campus Seen By Francis

State Assemblyman Louis Francis reported today that "San Mateo County has a good chance of being selected as the site for location of the University of California campus for the south central coastal area, and a decision concerning the selection of the specific site is expected about July."

In response to a request by the lawmaker for a full report, Vice-President Stanley E. McCaffrey of the University of California stated that San Mateo County is definitely being considered and studied as a possible site in the south central coastal section, comprised of the five counties of San Mateo, Santa Clara, San Benito, Santa Cruz and Monterey. He also advised Francis that professional planning consultants have been retained by the University's Board of Regents to prepare specific reports and analyses for the University.

Last May during the general session of the State Legislature, Francis authored and introduced amendments, which were co-authored by State Assemblyman Carl Britschgi of Redwood City, to the Assembly concurrent resolution, which provided that suitable studies be made on the feasibility of establishing a new campus of the university in the Santa Clara Valley of the south central coastal section.

Francis and Britschgi temporarily blocked passage of the resolution until the amendments were accepted to include San Mateo County as a possible site for the location of the university campus.

COMPLETE surprise was the \$20 "Christmas" check presented by Broadmoor Girl Scout Troop 81 to William F. Johns, executive director of Guide Dogs for the Blind, at recent Troop graduation ceremony. Also pictured are Miss Evelyn Wiltsey, of Salem, Oregon, with her new guide dog, Herbie, and Miss June Connelley, with Candy, a guide dog she received to replace Radar, who had served her faithfully for 11 years. Under the leadership of Mrs. Walter Klevesahl and Mrs. John Williams, Troop 81 made the money by singing Christmas carols.

HERE'S HOW PART of the pleasure-boat fleet at last year's San Francisco National Sports and Boat Show might have looked to a high-flying pigeon in the Cow Palace, where all attendance records were shattered by a turnout of a quarter million outdoor-sports fans. This year's mouth sporting exposition, which is expected to attract more than 300,000 visitors during its ten-day engagement beginning February 28, will feature a dry-land flotilla of 455 watercraft and hundreds of exhibits on hunting, fishing, camping, water skiing and skin-diving.

Westlake-Olympia PTA Can Revive 'Tired Parents'

Are your children getting you down?
Is your housework a drudgery?
Won't your checkbook balance?

If you answer "yes" to any of these questions, you're in a rut, and perhaps what is known as a "tired parent."

The cure for this common problem is available to you, according to Westlake-Olympia PTA, if you attend this Friday's 10 a.m. meeting at the home of Mrs. Ralph Sylvester, parent education chairman, 21 Belmont drive, Westlake.

Miss Ada Beveridge, coordinator of community relations for College of San Mateo, will be on hand to dramatize these problems in a humorous way. She is a graduate of Mills College and holds a master's degree from Stanford.

Refreshments will be served.

WINSTON MANOR TROOP 179 URGES BICYCLE SAFETY

Members of Winston Manor Troop 179 presented an outdoor display at the shopping center during their observance of the 48th birthday week of the Boy Scouts of America.

Their theme was "Bicycle Safety" and the display simulated an accident, showing the hazards of poor maintenance and lack of safety-consciousness by bike riders.

Under the supervision of Homer Lynn, Scoutmaster, his assistant, Roy Mead, and coordinating Police Officer Allen Klemme, numerous bicycle licenses were sold by Troop 179. Committeemen and Scouts participating: James Kittle, Milt Ashire, John Swedberg, Gary Swed

Unconquered Invaders Rout 'Cold' DC Quint

By Roy Hurlbert

Jefferson's varsity Indians choked in the clutch here Tuesday afternoon as Capuchino's thundering Mustangs all but cinched the Peninsula League championship with a stunning 61-38 victory over the Daly City five.

The overflow house saw the unbeaten invaders (9-0) run away from the only team supposed to give the San Brunans a torrid fight for the loop crown. Mike Orlich's locals folded completely in the second and third periods, tallying only five points in each.

Mustangs Hot

Cap, it must be said, was on the proverbial stick as their effort befitted the "fine balance" tag accorded them. The Mustangs, led by Johnny Condrin, 16 points, and Bill Bowman, 13, played perhaps their best of the campaign.

Jeff's Dennis Mark, the PL's leading scorer by far, and guard Gary Ryan, next in line, carried the load for the Tribe. But Orlich's four forwards failed him, making only two of 29 field goal attempts in the nervous contest.

The Indians' overall shooting was pretty sorry. They made good on only 12 out of 54 shots from the floor. And they missed 15 free throws. Against a club of Cap's caliber, this type of "accuracy" leads to disaster.

Marc Tops

Marc was superb and game high pointmaker with 17. Ryan connected for 13. It was a case of these two against about seven steady Cap casters.

Cap has a 1 in a 1000 chance of not winning the title. The Mustangs have three tilts to go—South City and Burlingame on the road, and Hillsdale at home.

Orlich's crew, with a mathematical but improbable chance for a title tie, face Hillsdale there this Friday night, then a week later travel to battle always tough South City.

Steve Mezzera's Indian lightweights, most improved team in the league, went all out Tuesday before losing on a last second 35-footer to the junior Mustangs, 39-37.

Ino Patron, Jeff's small package of dynamite, padded his loop scoring lead by tossing in 15 points. Center Allen Lee contributed 8. Halftime count favored the victors, 22-19.

The Cap 30's win tied them for first with San Mateo. Both have lost but one game. Mezzera's club is 4-6. Jeff's squads took a pair from Westmoor last Friday night. With Ryan's 21 points setting the pattern, the varsity prevailed over the stubborn Rams, 59-45. The Tribe 30's hit a season high with a 65-26 triumph. Art Banos led Jeff with 15, followed by Patron and Lee, each with 14.

The Rams last Friday night gave Jeff a few anxious minutes in the Indian gym before dropping a 59-45 decision. Gary Twitty splurged for 17 points in that one. Center Larry Harper, one of the league's best hustlers, and Dougherty played well for the look-better Westlake squad.

Jim Parker had 10 points in the lightweight tilt, won by the Indians, 65-26.

60 Boys Learn Soccer Techniques At Colma Clinic

About 60 elementary school age boys, recreation directors, and physical education teachers from San Francisco, Daly City, South San Francisco and San Bruno attended Saturday's soccer clinic at Colma's Trojan field. The clinic was conducted by San Francisco State college graduate students and such notables as Marty Krumm, Hommo Zylker and Ernie Fiebusch.

After Joe Verducci's opening address on the place of soccer in an athletic program, the participants were instructed and corrected on all soccer skills. The lessons then were applied in various practice games, followed by a question and answer period in typical "chalk-talk" fashion.

Fred Pollat, father of Peter Pollat, student intramural director at Colma school, assisted the talented instructors by taking a group and giving them the benefit of his soccer experience. Pollat resides in Westlake and is a leading proponent of the sport.

The clinic group was locally sponsored by the Jefferson Elementary School district, and recreation departments of Daly City and South San Francisco. School and recreation departments plan to follow with additional instruction and soccer leagues.
